

Certificate of Origin

Date:	26AUG26
Product Name:	ESF 921 Insect Cell Culture Medium, Protein-Free
Part Number:	96-001
Country of Origin:	United States of America
Raw Material Source Statement:	ESF 921 Insect Cell Culture Medium, Protein Free (Part Number 96-001) contains one (1) component that is animal derived. The component is: Cod liver oil fatty acid methyl esters sourced from Cod liver. The component is derived from cod from the North Atlantic Ocean and is processed in a facility in the United States of America prior to use in ESF 921 Insect Cell Culture Medium, Protein Free formulation. Expression Systems has procedures in place for monitoring the production process, traceability and consistency of each batch.
cGMP Manufacturing:	Expression Systems' ESF 921 is manufactured following cGMP as required by the FDA under 21 CFR Part 820. Expression Systems is registered with the FDA as a medical device manufacturer and is located in Davis, California.

The above information is believed to be correct to the best of our knowledge as of the date appearing on the document.
